

TRANSITION PLANNING FOR GRADE 12

PRESENTED BY:
ARHS GUIDANCE OFFICE
Mr. Van Snick

September 20, 2018

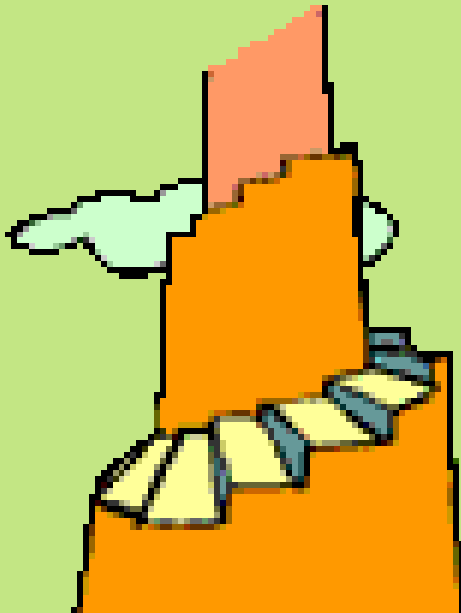

Graduation Requirements

You are responsible to make sure you have compulsory credits for graduation:

- You were given a Graduation Application & Credit Check and are asked to return it to Guidance **if there are any errors**. The Guidance Department will also be checking, but you also have a responsibility to ensure that you are meeting graduation requirements.

Steps in Transition Planning

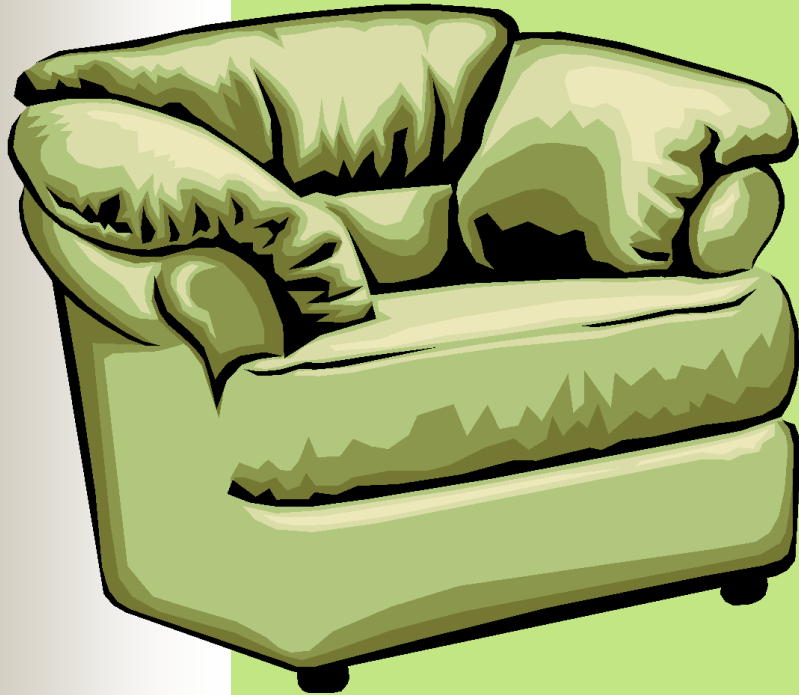

- Self-assessment
- Career awareness
- Finding a match between self and careers
- Occupational trends
- Post-secondary awareness
- Decision making
- Follow through

Information

- Google Classroom
- Morning Announcements
- Posters in Guidance hallway
- Viewbooks, pamphlets, etc. in Guidance Office
- ARHS Webpage
- ARHS Facebook Page

NEED HELP

- Make an appointment in the main office to see a guidance counsellor (me) to discuss options
- MyBlueprint – <https://myblueprint.ca/chignecto>

Post-Secondary Options

- University – **NEW for Nova Scotia only!**
 - <https://www.mynsfuture.ca>
- Community College – My Transcripts
 - <https://www.mynsfuture.ca/>
- Private School
- Paid/Volunteer Work
- Apprenticeship
- Travel

Post-Secondary Fair: AARAO Tour

- October 17th (9:00am -11:20am)
- Reps from about 50+ post-secondary institutions.
- Come prepared with questions
- Use time to visit several booths
- Collect and save applications/calendars
- Choose (2) small group sessions

Application Process: University

- Regular admission is after you have obtained your first semester marks and may or may not have a deadline.
- Early admission is for those students who have an honours standing 80% average in their grade 11 year. Opens, typically, at the end of September of each school year.
- Minimum average and minimum grades. For many programs, the cut off average is much higher. Some degree programs are competitive. These programs have an admission deadline date and the decisions will be made on the highest averages of those who applied by said date

Application Process: NSCC

- The application process is continuous and is open once students are registered for courses in grade 11. Some programs are already full for 2019-2020 while some are wait-listed and others still open. Seats are filled on a first qualified, first served basis. See the website for program openings.

- http://www.nsc.ca/admissions/applying/program_openings

Admission Information

- Students must check to see that they meet the admission requirements and deadlines of universities/colleges of interest.
- Students will be assessed based on first semester final marks and grade 11 marks for **early admission – Opens end of September.**
- Most institutions require a fee to process applications i.e. \$45-\$75
- Most prefer an on-line version for faster processing
- For those students interested in residence a separate application is sometimes required and earlier application dates i.e. MUN/Outside of Atlantic Canada

TRANSCRIPTS

- Sign a sheet (name and number of copies needed) on the front desk in the main office to have transcripts prepared. No cost for transcript for grade 12 students. NOTE: Before you send a transcript, be sure to **check it over carefully!** You are responsible to notify Guidance of any errors or omissions.
- <https://www.mynsfuture.ca/mytranscripts>

Scholarships

- **Entrance scholarships:**

- University:

- If your average is over 80%, you will be considered for a university entrance scholarship at most universities. The higher the average (increments of 5%) the higher the offer.

- NSCC: also has an entrance award (1 per campus) covering 1st year tuition.

Scholarships

Local Scholarships

There are over one hundred local scholarships available to ARHS graduating students. We will have an assembly just prior to March Break to go over these awards and the application process.

This will be posted on the ARHS website in the spring.

Scholarships ■ Other/Outside Scholarships:

- Parent work scholarships
- Internet searches
- Funding for visible minorities, students with disabilities also available. Booklets available in the Guidance Office and on the ARHS webpage.
- [ARHS Webpage — www.arhs.ccrsb.ca](http://www.arhs.ccrsb.ca)

Guidance Communication with Grade 12 Students

- ARHS Website: www.arhs.ccrsb.ca
 - Guidance Tab
- Google Classroom – get your phones out now.
 - [Grade 12 Scholarship & Post-Secondary Information](#)
 - Class Code = **g8suf94**
