Volunteering

Volunteering Opportunities in the Amherst Area

Volunteering is generally considered an [altruistic](#) activity where an individual or group provides services for no financial or social gain "to benefit another person, group or organization".^[1] Volunteering is also renowned for skill development and is often intended to promote goodness or to improve human [quality of life](#). Volunteering may have positive benefits for the volunteer as well as for the person or community served.^[2] It is also intended to make contacts for possible employment. Wikipedia
