New Business:

- Covid updates: School Back to School Plan
 - Year Update:
 - School implemented it's Covid plan for staggered breaks and lunches. Groupings were discouraged, cafeteria laid out to provide space and essential visitors only. The Covid plan was shared in September 2021.
- OHS Update
 - Parking Lot: A suggestion came from a member of our OHS group that they felt the parking lot needed an update to provide a safer situation during the day. I am adding the suggestion to this update. It will be passed onto Operations as well.
- Staffing
 - Staffing allocations are set for May 3rd. We will move forward with our allocation in posting positions that are available or those that become surplus.
- Graduation
 - Plan using DOEECD/Public Health Guidelines: These were sent to schools to develop a plan, based on the present Covid protocols. The Province has allowed for flexibility on how individual schools can provide graduation at their site.
